

Individual Activity - Course evaluation and feedback for improvement

Lynn Robert Carter, PhD

2018-03-03

Activity Kind

Individual activity

Purpose

Reflect on this experience, perform a course evaluation (using the form provided to you by your mentor), and provide feedback to help us improve the course.

Pre-requisite

Students are expected to have submitted their final project.

Tasking

Please fill out the provided form. When asked to provide any additional feedback, please tell us what you liked about the course and what you didn't like. For both, please be specific. The more information you can provide us, the more likely we will be able to make improvements.

The evaluation and feedback forms can be submitted anonymously. If you would like a reply, please provide us with your email address.

When you have finished the evaluation and feedback, please follow the mentor's guidance on how to submit it.

Deliverable

The deliverable was described above.

Submission

Submit the deliverable according to your mentor's guidance.
