

Small Group Exercise: What are the key elements and benefits of a Peer Review?

Lynn Robert Carter, PhD

2019-02-09

Activity Kind

Small group exercise

Purpose

The purpose of this exercise is to build upon the previous afternoon's videos and ensure each student can build upon what was learned then.

Pre-requisite

Students are expected to have done the following:

1. Watched - Video - Introduction to Peer Reviews (8:50)

Tasking

Students are partitioned in to groups of two to three students. Each small group works together to answer the following questions and places the questions and their answers into their personal ENB for submission this evening.

1. What activities are performed during a peer review?
2. What are the benefits of a peer review?
3. What is required in order for a peer review to be successful?

Deliverable

Each student is responsible for placing the questions and answers into their ENB for this activity.

Submission

The students must produce and submit their ENB by the end of the day.
