

# **Individual Activity - Final polishing of the documentation (internal and external)**

Lynn Robert Carter, PhD

2019-02-28

## **Activity Kind**

Individual activity

## **Purpose**

Given all of yesterday's peer reviews, you have a few hours to make any final adjustments, but be careful that you do not try to do too much.

## **Pre-requisite**

Students are expected to have participated in the peer reviews of their final project.

## **Tasking**

This is the final opportunity to polish your work. Since there is no ENB submission, you are not required to take notes in your ENB, but it does not hurt to continue the practice.

## **Deliverable**

There is no required deliverable beyond being ready to perform your project submission in the next activity.

## **Submission**

No submission required.
