

Individual Activity - Work on the project, including the screencast

Lynn Robert Carter, PhD

2019-02-27

Activity Kind

Individual activity

Purpose

The purpose of this activity is to continue to move your final calculator, it's documentation, and your screencast toward a state that it is ready for public demonstration and release.

Pre-requisite

Students are expected to have continued working on their final project.

Tasking

This is another work session. Based on the just performed peer review, adjust the plan, follow this enhanced plan using the pattern of work that we have been asking of you for the last three weeks. (ENB, right?)

Deliverable

Students are responsible for producing and posting their notes and their code in their ENB as evidence that they performed this task as required.

Submission

Each student must produce and submit your ENB for the day.
