

Individual Activity - Work on the project, including the screencast

Lynn Robert Carter, PhD

2019-02-28

Activity Kind

Individual activity

Purpose

The purpose of this activity is to finish your final calculator, it's documentation, and your screencast.

Pre-requisite

Students are expected to have working on their final project.

Tasking

This is the last work session. Keep following the plan and the pattern of work that we have been asking of you for the last three weeks. You do not have much time, so please focus on those items that will provide you the most return on your investment.

Deliverable

Students are responsible for producing and posting their notes and their code in their ENB as evidence that they performed this task as required.

Submission

Each student must produce and submit your ENB for the day.
